

Rugby Success for Griffydam

On Monday 6th November, 2017, the Y3/4 Tag Rugby team went to the level 2 Y3/4 Rugby competition finals at Ashby Rugby Club. Although the weather was pretty chilly, the atmosphere was red hot with excitement.

The final match was between Griffydam and Broom Leys. It was the first time that Griffydam had reached the final.

The players felt nervous before the match but trusted in the support of their team mates.

The first half saw an early try from Griffydam, followed quickly by another but Broom Leys fought back during the second half, scoring a try and bringing the score to 2-1. Griffydam quickly took control of the match and the score moved to 5-4 by the final whistle.

This means that Griffydam are now local champions, beating off fierce competition from much larger schools.

The school will represent North West Leicestershire at the county championships, which will be held in May next year.
