

What is the Sports Premium Funding?

Currently, the Government is providing £150 million per annum in funding for primary school sport and Physical Education. This funding is jointly provided by The Departments for Education; Health and Culture and the Department for Media and Sport, with the money going directly to primary schools.

The vision for the funding is:

All pupils leaving primary school physically literate with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

5 Key Indicators:

- 1. the engagement of all pupils in regular physical activity the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- 2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
- 3. increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4. broader experience of a range of sports and activities offered to all pupils
- 5. increased participation in competitive sport

Schools with 17 or more eligible pupils receive \pounds 16,000 and an additional payment of \pounds 10 per pupil from Year 1 to Year 6. During the academic year: 2017-2018 the total amount that Griffydam Primary School will receive is: \pounds 16,850.00.

Below is a list of the Primary PE and Sport Premium priorities identified from the School Development Plan for the academic year 2017-2018 at Griffydam Primary School:

	Total: £16,724					

*In accordance with the amendments for the 2017 to 2018 academic year, below is a published table of how many Year 6 pupils at Griffydam Primary School are meeting the national curriculum requirements for swimming.

These objectives cover:

- To swim competently, confidently and proficiently over a distance of at least 25 metres
- To use a range of strokes effectively
- To perform safe self-rescue in different water-based situations.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No

*Data is being collated and will be added as soon as possible
